

2021 Sponsor Letter
Oldham County High School
Bass Fishing Team Buckner, KY

Sponsors,

We are the Oldham County High School Bass Fishing Team. We were founded in 2018 and currently have over 40 anglers on our team. We are continuously amazed by the gracious help from the local community, sponsors and volunteers in support of our team. We have had an exciting three years and look to expand and provide more opportunities into the 2021-2022 season.

We are asking for your support of our team. We are looking for sponsors and donors. This could be in the form of a financial donation, product and/or discounts. We are looking beyond a handout. We want to create a long lasting relationship to help encourage and promote youth fishing and High School competitive angling. With your help we can promote, teach, guide and influence the next generation of anglers in a positive way.

The OCHS Bass Fishing Team is a direct affiliate of Oldham County High School. We are a non-profit 501(c)3 entity under OCHS. Any gifts or donations given to our team through OCHS are 100% tax deductible.

Our 2021-2022 Donation and Sponsor Program

- 2 Tiers of Sponsorship \$5000/\$250
 - Initial Sponsorship: \$500
 - Returning Sponsor: \$250
 - Product Donations / Discounts
 - \$1000 worth of product donations or accumulated discounts

What we promise as a team in return: We will place your company logo on our Jersey and Team Banner. We will participate in the local Oldham County Day Parade and on display will be our Sponsor Banner. Our Sponsor Banner will be displayed at all of our tournaments we participate in.

We also would consider helping your company during special events, tournaments, picnics, and/or fundraising events. We are open to suggestions as we build and form these important partnerships!

We not only appreciate you, but want you to know that we take our responsibility to you seriously. At our OCHS Bass meetings each month we teach and emphasize respect, professionalism, engagement, and appreciation from the aspect of sponsors, natural resources, personal equipment, volunteers, and parents.

Please contact us if you have any questions. For more details, further information and to see what our bass team has been up to, you can check us out at www.ochsbass.com.

We appreciate your time and look forward to working with you.

OCHS Bass Fishing Team
